

Forta

500x500 cm

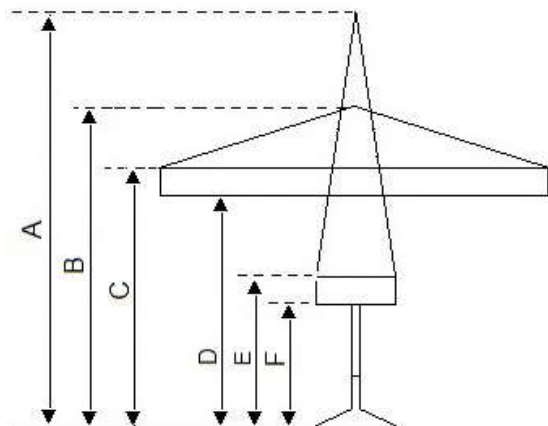

TAKE INTO ACCOUNT THIS TELESCOPIC GIANT

This umbrella is a must-have for cafes, restaurants to create a luxurious atmosphere. Offers an excellent decorative area and great shade. A gear system placed on the tube that ensures easy opening and closing.

Optional with steering wheel, to be able to put the name of your premises in view. From afar people will see your terrace and will come over to sit under the umbrella, in the pleasant shade.
