

# Luxor Telescópico

400x400 cm

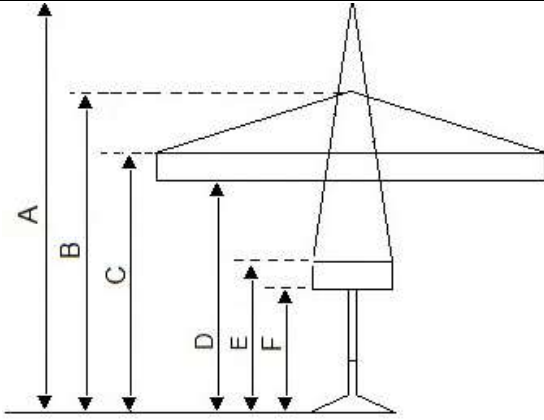

## COMFORT, FOR THE MOST DEMANDING

Luxor is the perfect umbrella for the hospitality industry, available in the most demanded sizes in this sector. It has a robust aluminum mast with a stop-and-go crank system. It also stands out for its exquisite design.

It has a telescopic system to be able to close the umbrella on the table without having to move the furniture. It has a base with wheels to be able to move it easily.
