ONE UMBRELLA FOR THE WHOLE FAMILY

Need for a total solar eclipse? The Maestro Pro umbrella has a fabric surface of 16 m², so it offers great protection against heat. Like the other models, it is an example of great design and functionality.

With the Master whenever you want you will have shade. It is used a lot in the hospitality industry. The parasol is available in 300x400 cm and 400x400 cm and two or more units can be joined to cover the entire terrace. A custom umbrella? It's possible! The Master's canvas can be printed.
