ONE UMBRELLA FOR THE WHOLE FAMILY

Eat, drink, enjoy, talk, play. That's what your garden is for, right? The Palestro umbrella enhances all of these experiences. This open parasol rotates in all directions: on the dining table of your whole family, on the lawn for the children or on your terrace to enjoy the after-dinner.

Robust design to withstand the odd blow and with a permanent colored canvas that will continue unalterable for years. The Palestro shows that being big and beautiful doesn't have to be complicated.
