

# Fuerto Pro

300x300 cm

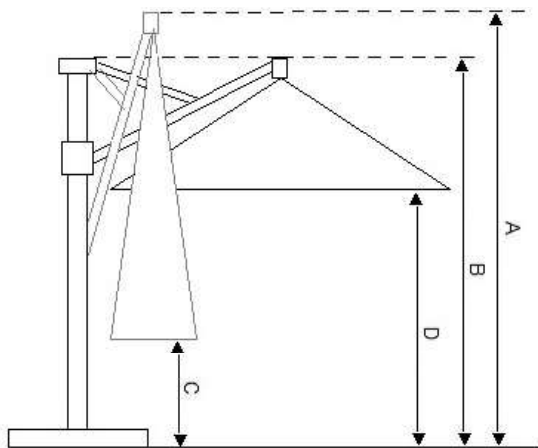

## POWERFUL ELEGANCE

Fuerto is synonymous with strength and elegance. This outrigger umbrella is suitable for hard work. The stable Fuerto Pro is available in 300x300 cm and can therefore be used without any problem in the hotel trade, but is also very suitable for the garden.

The Fuerto is simple and quick to operate, essential features on its overflowing terrace this summer. This professional parasol is neither tiltable nor rotatable, but with its powerful elegance it perfectly covers your terrace.
