

# Palacio

Ø 250 cm | 300 cm

200x200 cm | 300x300 cm

200x300 cm

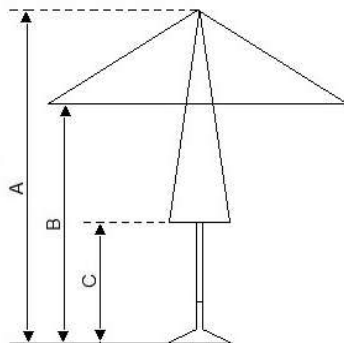

## TRADITIONAL WOOD WITH A TOUCH OF 2020

Lately the most demanded is the traditional umbrella with an Iroko wooden structure and an ecrú canvas. Rustic, but with a modern twist. The Palacio parasol has it all.

La Palacio is an umbrella with a classic line, but at the same time simple and essential, always modern and therefore suitable for all environments. Available in various round, square and rectangular sizes.
